### Staff news: Arnaud Victor

#### Support for the French market

January 2021

At #heytex, we believe that characters take our brand forward.

With Arnaud Victor, we can gain another competent character as a sales representative for France.

Arnaud Victor has been with our company since late summer 2020 and has successfully completed his induction.

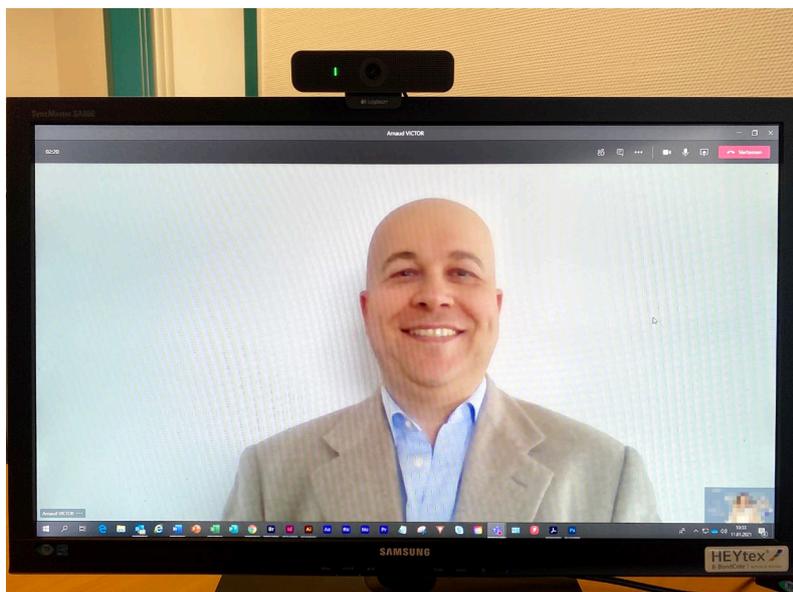

He has already overseen technical textiles in the field of sun protection throughout Europe for 20 years and has intensive know-how in the field of yarns and various customer applications with textiles due to previous activities.

For Arnaud Victor the intensive exchange and personal contact with the customer has the highest priority. He speaks English and German fluently, besides his mother tongue French, the perfect interface between the customer and the Heytex plants in Bramsche and Neugersdorf, Germany.

At Heytex, Arnaud Victor will be primarily responsible for sales in the French market for technical textiles.

Arnaud Victor lives with his wife and three children in Lyon.

We look forward to working with him and wish him every success!
