

## Product Portfolio

Application	Article	Coating	Weight	Tensile strength	Tear resistance DIN EN 17679	Adhesion	Other attributes
Potable water storage	<b>vita 1100 ACS</b> H3580	PVC	1100 g/m <sup>2</sup> 32 oz/yd <sup>2</sup>	≥ 4200/4000 N/5 cm ≥ 480/457 lbf/inch	≥ 450/400 N ≥ 101/90 lbf	≥ 110 N/5 cm ≥ 13 lbf/inch	phthalate-free, ACS certification
Service water storage	<b>guard 1300</b> H3610	PVC	1300 g/m <sup>2</sup> 38 oz/yd <sup>2</sup>	≥ 4000/4000 N/5 cm ≥ 457/457 lbf/inch	≥ 550/500 N ≥ 124/112 lbf	≥ 100 N/5 cm ≥ 11 lbf/inch	lacquered, 300 cm width, high durability
	<b>guard 1100</b> H3609	PVC	1100 g/m <sup>2</sup> 32 oz/yd <sup>2</sup>	≥ 4000/4000 N/5 cm ≥ 457/457 lbf/inch	≥ 550/500 N ≥ 124/112 lbf	≥ 100 N/5 cm ≥ 11 lbf/inch	
	 <b>vivatex® guard 1100</b> H7609	PVC	1100 g/m <sup>2</sup> 32 oz/yd <sup>2</sup>	≥ 4000/4000 N/5 cm ≥ 457/457 lbf/inch	≥ 550/500 N ≥ 124/112 lbf	≥ 100 N/5 cm ≥ 11 lbf/inch	recycled polyester yarns
Storage of liquid fertilizers	<b>guard 1300+</b> H5556	PVC	1300 g/m <sup>2</sup> 38 oz/yd <sup>2</sup>	≥ 4000/4000 N/5 cm ≥ 457/457 lbf/inch	≥ 550/500 N ≥ 124/112 lbf	≥ 100 N/5 cm ≥ 11 lbf/inch	waterproof and durable
Secondary containment	<b>resist 950</b> H3543	PVC	950 g/m <sup>2</sup> 28 oz/yd <sup>2</sup>	≥ 3000/3000 N/5 cm ≥ 343/343 lbf/inch	≥ 300/300 N ≥ 67/67 lbf	≥ 100 N/5 cm ≥ 11 lbf/inch	resistant to contaminated waste water

Temperature resistance: -30°C up to +70°C (-22°F up to 158°F)

## SUSTAINABLY STORED WITH HIGHEST FLEXIBILITY.

HEYstore is an extensive range of flexible and exceptionally durable materials made from high-strength polyester fabrics, designed for the storage and transport of various goods. Whether it is about storing contaminated water, process water, drinking water, liquid fertilizer or other goods, we have the right solution for your application.

- Durable and long living materials
- Different coatings available such as PVC, TPU, polymer-blends, depending on the application
- With chemical resistance adapted to the specific application, our products provide the optimal protection you need for long-term and safe use

### **Weldable**

Our textiles are weldable using all common welding processes

Application example: Shutterstock

Additionally to the HEYstore range, our variant allrounder vivatex® guard 1100 with a recycled base fabric also underlines our commitment to expanding sustainable solutions and reduces the CO<sub>2</sub> footprint.
